- **Create best practices for delivering culturally responsive athletic departments**

# Connections Activity

## Extreme Paper, Rock Scissors

- 1. Find a person who has the same color card as you and introduce yourself  
1) Name 2) School 3) How long have you been an AD?**
- 1. Conduct an Extreme Paper, Rock, Scissors Match (2 out of 3). The person losing the first match will start cheering the name of the person who beat them and follow that person around to their next match.**
- 1. Next, winners pair up while the ones they beat are cheering for them. When one winner beats the other, all the people behind the losing player should start cheering for the winning player.**
- 1. Repeat this process until there are only two players left. Each should have a large group of people cheering them on from their previous wins. They play the final match. The game is over after one player wins the final match.**
